Daily Electricity Usage

This daily electricity usage chart is for comparison purposes only and does not necessarily reflect actual meter readings. See below for details.

About Your SunEleco Electricity Usage Statement

SunEleco SoCal bills monthly based on electricity usage during your designated usage cycle. Rates are calculated based on peak and off peak usage periods. Peak usage is between 8:00 am and 8:00 pm, Monday through Friday. On Saturday, Sunday and public holidays, peak usage is between 10:00 am and 8:00 pm. A detailed look at your electricity usage can be found on our website. Visit us at [www.sunelecosocal.com](http://www.sunelecosocal.com) for details. You must have a SunEleco SoCal online account in order to use this service. Online accounts are available to all customers of SunEleco SoCal.

Figures for average County usage shown above are calculated on an average based on households in your area of approximately the same size and occupancy. All data used to calculate average County usage are from public records as of December 31, 2015.
